2023 OHIO NPIP PULLORUM TESTER CERTIFICATION REGISTRATION FORM

Name: _____

Street Address: _____

City: _____ Zip: _____ County: _____

Phone: _____

E-mail: _____

I am registering for: In Person Training Virtual Training

I am attending for: Recertification New Certification

1. Do you currently own or house any form of poultry, waterfowl, or domestic birds?

Yes No

2. I grant the Ohio Poultry Association permission to release the above contact information (Name, City, Phone, & Email) to individuals who request Pullorum testing:

Yes No

3. I agree to the following conditions if I am accepted and certified as a certified Ohio Pullorum tester:

- I am at least 18 years of age.
- To follow Ohio NPIP Pullorum testing protocol and rules.
- To follow proper biosecurity protocol as provided by Ohio NPIP.
- Interpret and report all test reports accurately, fairly, and in a timely manner.
- Complete required reports on a timely basis and forward any required information and fees to Ohio NPIP (Ohio Poultry Association).
- Inform Ohio NPIP of contact information and fowl ownership changes.
- Abide by program fee standards and requirements.

Ohio NPIP authority reserves the right to revoke certified tester status for violation of the above conditions. Certified testers serve as independent contractors and are not Ohio Poultry Association employees. OPA is not liable for any breach of biosecurity, personal flock/bird disease, or human health issues that could be a result of certified tester activities.
